Vocabulary & grammar

From the alphabet to confident everyday and academic communication — the focus is steady progress and speaking without fear.

ACADEMIC READINESS

Prepare for main educational programs.

Students learn to understand lectures, work with educational and scientific literature, write academic papers and interact effectively with teachers.

**Russian becomes your tool for learning
— not just a subject.**

CULTURE AND ADAPTATION

Feel at home in the Russian-speaking environment.

The preparatory school introduces students to Russian culture, traditions and the specifics of the educational environment.

Students gain confidence in communication and adapt to academic and cultural life in Moscow.

PROFESSIONAL COMMUNICATION

Learn the language of your future specialty.

Professional Russian courses are tailored to students' future specialties and career interests — helping them communicate with purpose from the first year of study.

Study. Communicate. Build your future.

YOUR FUTURE BEGINS WITH THE LANGUAGE!

Choose a program that matches your goals — and start your journey to fluency in Russian with the Academy.
