RFTA | Russian Foreign Trade Academy

PREPARATORY RUSSIAN LANGUAGE COURSE

General Russian Language Course for International Students

A1 → A2 → B1

10 months

Moscow campus

Russian Foreign Trade Academy (RFTA)

Program at a glance

A full-time offline pathway from beginner Russian to first certification level.

10
months of consistent learning
November — August

A1–B1
from elementary to first certification

66 h
socio-cultural adaptation free of charge

- Russian as a foreign language: common language knowledge
- Training format: full-time, offline, campus-based
- Flexible workload options for organised groups over 10 people
- Socio-cultural seminars, interactive activities and Moscow excursions

Learning pathway

Structured progress aligned with international language proficiency levels.

A1 Elementary

12 weeks

Build the sound, vocabulary and grammar foundations. Understand simple phrases, read signs and short texts, write about yourself and daily life.

A2 Basic

12 weeks

Maintain everyday conversations, write short letters, express intentions, impressions, requests, thanks, apologies and arrangements.

B1 First Certification

16 weeks

Communicate freely in everyday and socio-cultural contexts; read journalistic texts and write studied-topic texts and basic official documents.

Outcome: practical Russian for study, social life and academic transition in Moscow.

Choose the intensity that fits the group

All options include classroom hours and guided self-study. Prices are available for organised groups of 10+ people.

History	180 hours
Social studies	180 hours
Geography	144 hours
Natural sciences	72 hours
Computer science	144 hours

Specialised tracks

Economics

Management

State & Municipal Management

Law

476 classroom hours + 238 self-study hours = 714 hours total, shared among 2–3 subjects chosen by the student.

Any other curriculum discipline may be provided in group on request. Individual classes are available on request.

Campus advantages for international students

The RFTA campus supports study, rest, self-preparation and sport in one academic environment.

- Modern academic buildings, dormitory, library and self-study areas
- Sports and fitness complex with swimming pool, gym and games rooms
- Coffee shop and dining room available on campus
- Contacts and Admissions Committee available through the official RFTA website

International cooperation

RFTA works with 40+ scientific and educational partner organisations from China, Iran, Mexico, Vietnam, India, Türkiye, Kazakhstan, Belarus, Armenia and other countries.

Accommodation options

Dormitory accommodation is available for students, including international citizens, according to RFTA rules and available places.

RFTA dormitories

- Pudovkina 4A dormitory: located on the Vorobyevskoe Shosse campus, for 1st and 2nd year bachelor students
- Leninsky Prospekt dormitory: residential building, entrance №4, floors 10–17, for senior bachelor and master students
- Rooms are equipped for comfortable living; Wi-Fi operates on all floors
- Laundry, ironing facilities, kitchen areas, security and access control are provided

Practical note: accommodation is subject to application and allocation procedures; students can track the review results in the personal account.

Sports & wellbeing

A major sports and fitness complex helps students stay active and involved.

Facilities

- 25-metre swimming pool with four lanes
- Universal games hall for football, volleyball and basketball
- Gym, cardio area, aerobics and martial arts halls
- Training areas include swimming, volleyball, basketball, mini-football, fitness and aerobics

Sports sections for students

Swimming • volleyball • mini-football • sports games • cheerleading • athletics • cardio training

RFTA | Russian Foreign Trade Academy

A confident start to studying in Russian

Language progression, academic orientation, cultural immersion and campus infrastructure — combined into one preparatory experience.

Preparatory Russian Language Course

Students from different countries study at the Academy. They come for professional knowledge and experience that will help them build a successful international career. And we are trying to create an environment where everyone can reach their potential, make friends and become part of our community.

A student of the Faculty of International Finance Russian Foreign Trade Academy - Gouveia Sitania Gomes from Angola, spoke about her studies, communication, favourite dishes, and what surprised her in Russia.
